trinity tidings is the newsletter of Holy Trinity Lutheran Church, 723 Lehman Street, Lebanon, PA 17046

Dear Friends in Christ,

I have truly enjoyed my time as your pastor. Thank you for your grace and love. There is much love at Holy Trinity. I've been doing a lot of listening as you share your stories and your experiences.

I intend to continue to listen and learn for the foreseeable future. I want to bring you up to date on the transition process. I anticipate that some of you might be interested in hearing what has been happening.

I've had two meetings now with the church council. We are engaging in a process of visioning and discerning what the focus of this transition period should be about. Pacing is incredibly important. I will not be pushing the council in a direction that they do not go naturally. There is no rush. At an appropriate time, a call committee will be formed. At this time, I cannot say for sure when that will be. We will see where the Holy Spirit leads us.

In the immediate future, my hope is to look for opportunities to bring people together for fellowship. It is summer, but maybe we can find some activities to do together. At this time of year, the baseball fan in me is wondering if anyone else would like to go to a Lancaster Barnstormers game. If you have any other ideas for fellowship events, please see me or email Stephanie.

At this time in the church year, we are transitioning into what is known as Ordinary Time. Ordinary Time is the longest season of the church year. During Advent, Christmas, Epiphany, Lent, and Easter, we tend to focus on who Jesus is. Once we hit ordinary time the focus shifts a little bit. Ordinary time is all about asking ourselves what it means to follow Jesus. Green

is the liturgical color of ordinary time. It is meant to symbolize fertility and growth. It is a time for us to grow and to stretch ourselves as disciples as we strive always to follow Jesus more closely. As we are in the midst of this transition together, remember that God calls all kinds of disciples to do all kinds of things in Jesus name. Ordinary time is about ordinary disciples like you and me doing extraordinary things each and every day. Often the things that we see as small and insignificant are the most extraordinary. As we move through this season of the church year, be open to where Jesus is leading. Consider what Jesus is calling you to do as a person and as a congregation as you follow in his footsteps. I know that he has something extraordinary in mind for you and for the people of Holy Trinity.

God's Blessing,

Pastor Tim

10:15 AM— Adult Sunday School

Below you will find all of the options for worship as well as what is required to participate.

**In-person worship** is at 9:00 am. **Masking is optional.** We will continue to distance during church service by seating every other row. *Anyone with symptoms, a positive test for Covid-19, or exposure to someone with Covid-19 should not come to church or enter the building.*

**The parking lot door will be the only door open for entry and exit.** As you enter you will pick up a communion packet and bulletin.

*For the safety of our members and those using our facilities, we will continue to monitor the Covid-19 situation locally and, if the situation warrants, reevaluate our masking policy.*

#### Radio Worship Service:

There will be a radio broadcast of the service available to those who are parked just outside of the church, either in the parking lot or on the street. Just tune your radio to 88.5. Communion packets and bulletins are available inside the parking lot door at the back of the church.

#### Online Worship Service:

Our online worship will continue to be available. As we begin in-person worship we will stream it through YouTube. You can find the service by going to the same website page that you have previously gone to <https://www.trinityleb.org/links>. Here you will find links to the live-stream, the bulletin, and the replay of the service so that you can watch at any time you wish during the week.

A life of service and love is one way to sum of Jim Rittle. Many of you knew the love of his life, Linda. Jim's friend, Jack Feaser had a cousin who got married. At the wedding, Linda was in attendance. Their mutual friends decided that Jim would be the guy for Linda and they planned a couple's date. As the date approached, the other couples started to back out. The date quickly became a solo date.

Linda was an only child with a protective father. Her father was all worked up over this date. He grilled her for information about this guy coming to take her out. When Jim knocked on the door, her father's worry was immediately put to rest. They knew each other from the Church Bowling League. The date went well and eventually, the two were married in April of 1962.

Jim convinced Linda to join him at Holy Trinity and they were both very active with the Christian Education and taught various Sunday School classes. Linda was Jim's biggest supporter. She helped him see his passion come to life – model circuses.

When Jim was 7-years-old, he loved trains. So, his dad took him to Reading to see the Ringling Brothers Circus set-up. Jim was mesmerized by the logistics involved. He fell in love with the circus. His love didn't really materialize until around 1989 when he had a heart attack. The life event pushed Jim to decide that if he was going to do something with the circus, he better do it. Linda not only supported his love of model railroading and model circus building, she helped him and even gave up space in the home every year. Jim would start the process of building a

train around Thanksgiving every year. They would move all of the furniture out of their dining room and the models would be ready for Christmas Eve. The display stayed up until February or Linda got sick of it. Linda also helped in the painting of the models and the construction of the displays. The pair traveled to various conventions displaying their circus. Jim is still involved with fans and circus model builders. He keeps in touch with the many friends he has met through their travels and shared passion. The model builder community is not competitive. Their motto is “How can I help?” In keeping with the circus, they never say “goodbye.” They say, “See you down the road.”

A graduation celebration was held during worship service, June 5. Best wishes to Maddie Bishop and Thomas Hershey.

## From the Archives Promotion Day 1939

These young children aren't celebrating Independence Day but rather Sunday School Promotion Day. Note the promotion certificates they are holding along with their flags. The photo was taken on Sunday, September 24, 1939. In the Trinity Tidings it was noted: "This is PROMOTION DAY. At the close of the [Bible School] lesson period, 89 pupils will be promoted from one group or department into another. May the Holy Spirit guide each pupil in his or her new experience so that he or she may increase in the knowledge of Christian Truth and improve his or her walk in the Christian Way of Life." These kids look like they have just been promoted from the Nursery Class of the Mother's Dept. into the Beginners' Group, which were children ages 4, 5 and 6.

Half of the children are identified on the back of the photo. Front row, 1<sup>st</sup> on left, Patricia Wentling; 3<sup>rd</sup>, Barbara Yiengst; 4<sup>th</sup>, Kay Weaver; 6<sup>th</sup>, Jane Wagner. Back row, 3<sup>rd</sup> from left, David Hinckley; 4<sup>th</sup>, John Feaser; 6<sup>th</sup>, Ronald Swanger. If you recognize any of the other children, let us know.

The flags seem like an odd feature to a Sunday School promotion. Perhaps they were from a recent Labor Day celebration or a school lesson about the signing of the United States Constitution (on September 17, 1787). Do you know or have any ideas of the reason for the flags?

## Bazaar Update

Warm Greetings Holy Trinity

It has been so refreshing that our church services and our activities are getting back to "normal." Praise God!

With that acknowledgment, it is time to think about our wonderful annual Holy Trinity Fellowship Bazaar which has been at "rest" for two years.

We will have a Bazaar Committee meeting on Wednesday, July 13, 6:30pm in Luther's Place. I am hopeful all Booth Chairs can attend, with your helpers, so we can decide if we are "waking" this gentle giant from its sleep, or allowing it to remain at "rest."

If we are moving forward, then at this meeting we will discuss, make decisions, set a date, and get to work.

For our supportive congregation, and thinking

positively, I will go out on a limb and say save your White Elephant goodies for us, as well as books and puzzles.

I already know Louise's group of dedicated workers are making delicious jellies and jams and will be busy all summer long. THANK YOU SO MUCH

Lastly, The Bazaar Committee is not a closed committee. New members are always welcome, and volunteers will be needed for the event.

Best wishes dear friends for a wonderful summer. I promise to keep you in the loop.

God Bless,

Denise

Featured are one of the sets of stained glass windows that are located in the Sanctuary. If you are standing at the baptismal font - look up. The group is titled, "Three Great Men of the Lutheran Church."

The picture on the left depicts Johann Sebastian Bach. Bach's great compositions were devoted to the Church. His music is considered as real glorification of God.

The center picture depicts Martin Luther. Luther is depicted standing in front of a church door ready to put up his "95 Theses." The symbol of Lutheranism is the mystic rose with a red heart and cross in the center. Luther's rose is accepted as a seal of the Lutheran Church.

The picture on the right depicts Henry M. Muhlenberg. Muhlenberg is called the father of the Lutheran Church in America. He is shown holding a Bible in his hand, symbolizing the spread of Lutheranism in this country. A picture of the Trappe Church, which still stands as a living message, can be seen in the lower portion of the window.

## PICK A PROJECT – BE INVOLVED

The Women of the ELCA of Holy Trinity are participating in two projects for Lutheran World Relief this year – the assembly of 100 school kits and 100 personal care kits. We welcome members of the congregation to join us in helping to make the School Kits and Personal Care Kits goals. The items needed are listed below. It would be especially helpful to receive assistance with the purchase of 70 to 80 sheet SPIRAL notebooks of wide- or college-ruled paper approximately 8" x 10 ½". Because each school bag contains 4 spiral notebooks and our goal is to complete 100 school bags we need 400 spiral notebooks. At present we have 21 spiral notebooks toward this goal. In addition if a member of the congregation would like to participate by sewing school bags the instructions for making the school bags can be found on the "in-FORM-ation" table in the Narthex beginning July 3. All donated items can be placed in the WELCA Collection Barrel in The Giving Place from July 3 to September 4. **September 4 is the deadline for all donations.**

### SCHOOL KITS

For children whose lives have been disrupted by war or other disasters receiving a school kit is a sign that someone far away cares. Adults in literacy classes appreciate the supplies needed to learn to read and write.

Include the following items in each School Kit:

- Four 70-80 sheet **spiral-bound** notebooks of wide- or college-ruled paper approximately 8"x 10 1/2"; NO LOOSE-LEAF PAPER
- One pair of blunt scissors (safety scissors with imbedded steel blades work well)
- One 30 centimeter ruler or a ruler with centimeters on one side and inches on the other side
- One pencil sharpener
- Five unsharpened #2 pencils with erasers; secure together with a rubber band
- Five black or blue ballpoint pens (NO GEL INK); secure together with a rubber band
- One box of 16 or 24 crayons
- One eraser approximately 2 ½ " long
- One sturdy drawstring backpack-style cloth bag approximately 14" x 17" with shoulder straps (NO STANDARD BACKPACKS) Recommended fabrics include sturdy cotton, canvas, denim and twill.

Do not add other items or leave out any of the items

listed. All items should be new and in good condition. Remove excess packaging, pack all items in the school bag and close. Do not enclose the Kit or any of its contents in plastic bags. Detailed instructions with pictures for sewing the school bags are available on the "in-FORM-ation" table in the Narthex.

### PERSONAL CARE KITS

Clean hands, good grooming, bright and shining smiles – you can help bring them about through the gift of Personal Care Kits.

Include the following items in each Personal Care Kit:

- One light weight bath-size towel (20"x40" to 52"x27"), dark color recommended.
- Two bath-size bars of soap any brand in its original wrapping (4 to 5 oz bars)
- One adult-size toothbrush in its original packaging. Toothbrush multipacks may be used by sealing an individual toothbrush in a business envelope; no plastic bags or wrap.
- One sturdy comb, wide tooth preferred, remove Packaging.
- One metal nail clipper attached file optional, remove packaging.

Do not add other items or leave out any of the items listed. All items should be new and in good condition. Wrap all the items in the towel and tie the towel securely with ribbon or yarn. Do not enclose the Kit or any of its contents in plastic bags.
