Summer Greetings to the People and Friends of Holy Trinity!

FROM THE PASTOR

members registered for the assembly, of which 313 were lay voting members and 204 were rostered ministers.

This summer started out pretty busy in June. I hope all of you are staying cool on the hotter days and dry when we have periods of rain.

We are almost ready to print our new pictorial directory. Several members have new addresses. Please make sure all address changes are received in the church office for our records and so that contact information will be correct in the final directory.

While at assembly, the following actions occurred:

- Welcomed Victoria Flood, Sr. Director for Congregation and Synod Support as churchwide representative, and received greetings from her.
- Recognized 50 Years of ELCA World Hunger and Bishop James and Connie .

I am thankful that Neal Galbraith and Tom Ryland attended the Lower Susquehanna Synod Assembly from in assembly June 5-7, 2025. Our biggest news is that a new Bishop has been elected and called to serve in our synod! There were 517 voting

I hope to see many of you in worship! I will continue to make my rounds calling and visiting those who are homebound and in rehab. Please don't hesitate to reach out to the church office if you would like a visit sooner.

Blessings to all for a safe and happy summer!

May the peace of the Lord be with you,

July Special Offering: Lutheran Disaster Response

We are a church that is a catalyst, convener and bridge builder. Lutheran Disaster Response collaborates with other disaster response organizations and religious entities in the United States and around the world. This enables the greatest stewardship of resources and maximum impact of response. We are a welcome partner because we respect the perspectives and strengths of others.

We recognize that every disaster is local. Because of this, we believe every response needs to be rooted in the community; we work to accompany that community from immediate relief through long-term recovery. In our international work we partner closely with companion churches and other Lutheran and ecumenical relief agencies to make sure local needs are being addressed and met. In the United States, we work through our extensive affiliate network and other partners to address these same concerns.

Lutheran Disaster Response strives to help the church continue to be church in the midst of disaster — following Christ's call to share hope and healing with our neighbor in need. Some key areas of work include:

- Providing emotional and spiritual care for people who have been affected by a disaster and for leaders who respond to a disaster
- Coordinating volunteers through our local affiliates

- Assisting refugees in a holistic way by meeting the varied needs of the community
- Promoting disaster risk-reduction by helping communities build their assets thereby reducing the effects of likely disasters
- Providing long-term recovery efforts by addressing the unmet needs months or even years after a disaster strikes

Lutheran Disaster Response would not exist if it were not for the thousands, if not millions, of people who make an impact by getting involved. Whether efforts are financial support, volunteering or helping to prepare communities for disasters, lives and livelihoods are improved.

Your gifts make it possible to provide fast and effective support to communities in need, whenever and wherever a disaster may strike. If you would like to donate, please mark your donation "Lutheran Disaster Response." There are also special collections envelopes in the pews and at each Welcome Table.

Summer Lunch and Learn

Please join Pastor Althea for food, fellowship, and faith discussion at noon on Wednesdays in July. Bring your lunch! Bring a friend! All are welcome even if you cannot attend all of them.

We will be using the *Summer Days* devotional. At its best, summer is a season of rest and joy – tapping into the ancient, sacred practice of Sabbath restoration. Mary Oliver can help us reconnect with this dimension of summertime, savoring what she calls its "luminous sprawl of gifts."

So grab your favorite Bible and *Devotions: The Selected Poems of Mary Oliver* (Available at either Welcome Table.) Step by step, we'll make our way deep into the heart of summer, the heart of Sabbath, and the heart of being human: joyful, rested, and free.

LUTHERAN WORLD RELIEF SCHOOL KITS AND PERSONAL CARE KITS 2025

LUTHERAN WORLD RELIEF

The Women of the ELCA of Holy Trinity are participating in two projects for Lutheran World Relief again this year – the assembly of 100 school kits and 100 personal care kits. We welcome members of the congregation to join us in this endeavor. The items needed for each type of kit are listed below. All donated items can be placed in the WELCA Collection Barrel in The Giving Place from July 6 to September 7. **September 7 is the deadline for all donations.**

SCHOOL KITS

Education is one of the strongest tools a community has for breaking the cycle of poverty. Ensuring that girls attend school, especially in places where their access is deprioritized, has even stronger results. School kits contain essential supplies to help children – and in some cases, adults—continue learning in the face of serious obstacles. That learning leads to a better life for them, their families and their communities.

Include the following items in each School Kit:

- Four 70-80 sheet **spiral-bound** notebooks of wide or college-ruled paper approximately 8"x 10 1/2"; **NO LOOSE-LEAF PAPER**
- One pair of blunt scissors (safety scissors with imbedded steel blades work well)
- One 30 centimeter ruler or a ruler with centimeters on one side and inches on the other side
- One pencil sharpener
- Five unsharpened #2 pencils with erasers; secure together with a rubber band
- Five black or blue ballpoint pens (**NO GEL INK**); secure together with a rubber band
- One box of 16 or 24 crayons
- One eraser approximately 2 ½ " long
- One sturdy drawstring backpack-style cloth bag approximately 14" x 17" with shoulder straps (**NO**

STANDARD BACKPACKS) Recommended fabrics include sturdy cotton, canvas, denim and twill.

- Do not add other items or leave out any of the items listed. All items should be new and in good condition. Remove excess packaging, pack all items in the school bag and close. Do not enclose the Kit or any of its contents in plastic bags.

PERSONAL CARE KITS

Cleanliness certainly helps a person feel more human. When families find their homes destroyed, or must flee for their safety, soap and a towel rarely make the cut for what they can carry. Arriving in a refugee camp or other place of safety, they are scared, vulnerable, and dirty from the travel. The simple items included in a personal care kit provide much needed self-care, critical germ fighting and the chance to regain dignity amidst situations of fear and uncertainty.

Include the following items in each Personal Care Kit:

- One light weight bath-size towel (20"x40" to 52"x27"), dark color recommended.
- Two bath-size bars of soap any brand in its original wrapping (4 to 5 oz bars)
- One adult-size toothbrush in its original packaging. Toothbrush multipacks may be used by sealing an individual toothbrush in a business envelope; no plastic bags or wrap.
- One sturdy comb, wide tooth preferred, remove packaging
- One metal nail clipper attached file optional, remove packaging
- Do not add other items or leave out any of the items listed. All items should be new and in good condition. Wrap all the items in the towel and tie the towel securely with ribbon or yarn. Do not enclose the Kit or any of its contents in plastic bags

June 8, 2025

I'm searching for someone to watch my cats (and possibly dog) from September 18–22, 2025.

If you are able to house sit in addition to watching the cats, the dog would also be at home. If you can only visit a few times per day and are unable to stay overnight, only the cats would be at home.

You would need to feed the (dog) and cats, clean the litter box, let the dog out (if you are house sitting), and make sure their water fountains are filled (which only needs to be done once per day). The cats also love to play so playing would be something they would love.

I will pay you for this job. If you house-sit, there will be off-street parking in a garage.

Please contact me at either my cell number (717) 269-9931 by text or voice message or email me at babsawriter@gmail.com.

Church Sexton: Denise Rhoades

My connection to Holy Trinity is one of my favorite things. I love that my family members attend. I also love that members have become my Church family.

The position of Church Sexton is more than just keeping the Church clean. I

am also responsible for taking the recycling to the recycling center. I assist with special events that are held such as funerals, private events, etc. I often let guests in and answer any questions they may have. At funerals, I assist the funeral director and staff. Hospitality is a large part of my position.

There is crossover with my position and volunteerism at Holy Trinity. I serve on Worship & Music, Property, and I am a member of the liaison committee for the daycare. At times, I am the eyes and ears for these committees. If I see an issue or it is reported to me, I follow-up at the committee meetings.

Under the category of "other duties as assigned," I assist Stephanie with counting the weekly offering.

If you ever have a property concern or question, please feel free to contact me or grab me on a Sunday morning. I am usually the first one at Church — I also open everything up on a Sunday. You can find me at the Welcome Table off the parking lot entrance.

KIDS PAGE

You don't have to visit the beach to make a sandcastle. Make fluffy "moon sand" to build fun structures.

What you need:

- Large bowl
- Wooden spoon
- 8 cups flour
- 1 cup baby oil

What you do:

1. Measure flour into the large bowl. Add baby oil.
2. Mix thoroughly until all the oil is combined and the texture is consistent. If needed, use your hands to knead the mixture.
3. The sand is ready when it sticks together to form a ball when pressed in your hands.
4. Use sand toys and molds to create a sandcastle. Store sand in an airtight container for up to two weeks.

Geodes look plain on the outside but contain beautiful crystals. Create these "rocks" to show how God makes us new on the inside.

What you need:

- Clean cardboard egg carton
- Scissors (and adult help)
- Epsom salt
- Plastic zippered bags (one per color of dye)
- Food coloring
- Glue
- Paintbrush

What you do:

1. Cut out the tops and bottoms of all the egg compartments so you can make 6 ball shapes.
2. In each bag, put 3 tablespoons of Epsom salt and a drop or two of food coloring. Seal and shake to mix.
3. With the paintbrush, spread glue inside two egg-carton halves. Sprinkle a spoonful of Epsom salt into those halves. Then close and shake.
4. Open your homemade geode and shake out excess salt.
5. Optional: Preserve the crystals with a coat of clear-drying glue.
